Jeffrey:

How are these? I would love to add Shell. Koch may agree to field a call for us but generally  
does not do so. RT

I believe I still have cotnact info for Lorentzen and Haegler. Think Shell would be a great idea as well as Koch. If agreed, who at Shell could I use as contact. RT

I am a big fan of Oivind Lorentzen and Alex Haegler as references; would avoid Lonnie Howell;  
how about someone at Koch?

Jeffrey/Walter/Andres:

Spectrum Value Management (Thomas Schmidheiny's Family Office in Jona, Switzerland) would like some references, preferably Swiss-based investors in Fairfield Sentry. See Pascal Spielmann (Managing Director of Investments) email below.

I suggest I give him three. Perhaps three from the following would do, but defer to you.

- 1) Unigestion: Bernard Sabrier or Patrick Fenal
- 2) Bank Julius Baer: Michael Baer
- 3) EFG: Lonnie Howell
- 4) LGT Capital Partners: Stefan Muehleemann
- 5) Partners Group: Daniel Bieri

Dear Ms. Fenman

Thanks a lot for the invitation to the luncheon presentation of Arlington International Fund and Fairfield Redstone Fund Ltd. Indeed, the performance looks great, especially of the Redstone fund which I personally favour because of its fundamental research-based investment style. Unfortunately, I cannot attend this presentation on June 10, as I have the signing of an important private equity investment taking place the same day. However, I will ask my colleague Peter Schmid whether he could attend. Peter is managing a significant blue-chip portfolio for our family office out of Lichtenstein. The portfolio also comprises some hedge funds and other alternative investments. Hence, he is very familiar with the subject. He will contact you directly by the end of this week.

By the way, could you please send me a list with the contact details of some reference clients (i.e. Fund of Hedge Funds, family offices, pension funds and/or private banks) of FGG that are also investors in Fairfield Sentry Ltd. and ideally located in or around Switzerland. As I already mentioned to Ron Thoman, we are very much interested to become

an investor in Fairfield Sentry. After the last week's discussion of the risk-adjusted performance statistics in our Investment Committee I would now just like to make a few reference calls to complete the initial due diligence. Thereafter, we will come back to you with the exact amount we are interested to invest.

Thank you in advance for your time and consideration.

Best regards, Pascal

Dear Mr. Spielmann,

At the request of Ron Thomann of the Fairfield Greenwich Group, I would like to extend an invitation to attend a luncheon presentation by two managers that have been seeded by FGG, Arlington International Fund and Fairfield Redstone Fund Ltd.

The luncheon is to be held on Tuesday, 10th June at 12.30 for 12.45 at The Westbury Hotel Mayfair, Bond Street (entrance in Conduit Street), London W1.

The Arlington International Fund, founded in 1999, is an event-driven fund with its primary focus on merger arbitrage and "busted convertibles". As of 23/5/03, the Fund is up 6.76% YTD. Kim Morris, Co-Principal Manager of the Fund, will present at the luncheon.

The Fairfield Redstone Fund is a long/short equity fund with its primary focus on small and mid cap growth companies. As of 23/5/03 the fund is up 11.12% YTD. The six-person team, all of whom worked with Arden Armstrong whilst she was at Morgan Stanley Asset Management. Arden was the lead portfolio manager on both the small and mid-cap growth funds of MSAM (\$6bln in AUM). Both funds were top decile performers during this time period (3 years and 12 years respectively). Arden will be joined by Scott Burney, COO of Redstone, in presenting the fund.

Due to limited capacity, I would be grateful if you could respond as soon as possible if you would like to attend. Please send your reply,
